## Fundraising group

We are looking for creative people to help us form a fundraising group for Hollinswood Primary school & Nursery

The group would be participating in sharing ideas, supporting fundraising events, coming to meetings (and having a cuppa!)

In the past we have had discos, bingo nights, summer fairs, book swaps and more.

We need some new ideas and people to help make it happen.

If you would be interested in helping to form this new committee, please get in touch with Sue Newbrook:
