Get on board

V1 Pirate Mary wanted golden teeth to call her own
She was victim of a problem with caries, cavities and holes
‘Come, ye scurvy crew, I know where there is gold!’
Come Billy Bones and Dottyback Jill and Barnacle Jones
WHERE’S Scurvy McGill?
Tell me, ‘aint he feelin’ bold? Although his feet are cold?

Get on board cont..

*She said, 'Get on Board, Choose the life you're
livin'*

*Get on board, scourge of the sea!
Get on board, plunderin' is winnin'
On the sea you will be free!*

Get on board cont..

V2 'Here is a secret: There's a glorious treasure trove
With enough to fill your pockets and turn my gnashers into
gold!

There's a serpent there, but snakes don't really bite!
Come Billy Bones and Dottyback Jill where's Barnacle Jones?
Are they looking for a fight? In the middle of the night?'

Get on board cont..

*She said, 'Get on Board, Choose the life you're
livin'*

*Get on board, scourge of the sea!
Get on board, plunderin' is winnin'
On the sea you will be free!*

Get on board cont..

V3 Sailing stormy waters, lashing rain that drenched their hats

Buffeted and billowed, port and starboard slid the rats

‘Oi, ahoy the cove, I can see the gold!’

Come Billy Bones where’s Dottyback Jill?

Must ‘ave fallen overboard

What a scurvy hoard!

Get on board cont..

*She said, 'Get on Board, Choose the life you're
livin'*

*Get on board, scourge of the sea!
Get on board, plunderin' is winnin'
On the sea you will be free!*

Get on board cont..

V4 Peeping through the cavern, darkened like a Pharaoh's
tomb

Bigger than Port Royal, something slithering in the gloom

What's that hissing sound? Billy runs in fright!

No Billy Bones or Dottyback Jill or Barnacle Jones or Scurvy

McGill BUT Mary musters all of her will!

So she snatches all the loot, quaking in her boots!

Get on board cont..

'Get on Board, Choose the life you're livin'

Get on board, scourge of the sea!

Get on board, plunderin' is winnin'

On the sea you will be free!

Get on board cont..

'Get on Board, Choose the life you're livin'

Get on board, scourge of the sea!

Get on board, plunderin' is winnin'

On the sea you will be free!

On the sea you will be free!' GET ON BOARD

I'd like to go on holiday

I'd like to go on holiday but where to
go?

Perhaps I can go far away, far from
home.

I'd like to go on holiday cont..

Maybe I'll leave the place I know for
somewhere new,
There are just so many things I'd like
to do!

I'd like to go on holiday cont..

*So let's fly, fly away to a place I've
not been before,
We'll soar as the aircrafts roar, and
we'll have a great holiday!*

I'd like to go on holiday cont..

I'd like to go on holiday but where to
go?

Perhaps I can go far away, far from
home.

I'd like to go on holiday cont..

Maybe I can travel there by ferry or
boat,
Hopefully I'll go somewhere I don't
need a coat!

I'd like to go on holiday cont..

*So let's sail, sail away to a place I've
not been before,
We'll float on the oceans waves, and
we'll have a great holiday!*

I'd like to go on holiday cont..

I'd like to go on holiday but where to
go?

Perhaps I can go far away, far from
home.

I'd like to go on holiday cont..

It doesn't have to be a long drive
away,

But I hope I can stay there for more
than just one day!

I'd like to go on holiday cont..

*So let's drive, drive away to a place
I've not been before,
We'll ride down a country lane and
we'll have a great holiday!*

I'd like to go on holiday cont...

As a round:

I'd like to go on holiday but where to go?
Perhaps I can go far away, far from home.

Maybe I'll leave the place I know for
somewhere new,

There are just so many things that I can do!

I'd like to go on holiday cont...

After the round:

So let's fly, fly away to a place I've not been
before,

We'll soar as the aircrafts roar, and we'll have
a great holiday! And we'll have a great
holiday! And we'll have a great holiday!

The little girl of rain

1. The night is cold and dark.

Here she is again.

Begging me to let her in

The little girl of rain.

The little girl of rain cont...

2. Scratching on the sill
Tapping on the pane
With her insistent fingernail
The little girl of rain.

The little girl of rain cont...

3. Her face is thin and pale
Pinched with cold and pain
Whispering and whimpering.
The little girl of rain.

The little girl of rain cont...

4. She whispers words to me
Which secrets should remain
Scratching on the window sill,
The little girl of rain.

The little girl of rain cont...

5. The night is cold and dark,
Here she is again.
But I will never let her in
The little girl of rain.

Whether in the sunshine

The weather's always changing,
the seasons come and go.
Boiling hot or freezing cold, it's
just nature's ebb and flow.

Whether in the sunshine cont..

Leaves falling from the trees as
the raindrops from on high.
Autumn blowing in the breeze,
the clouds fill up the sky.

Whether in the sunshine cont...

*Whether in the sunshine, or
whether in the rain, keep smiling
through the wind and snow till
the summer comes again.*

Whether in the sunshine cont...

I love the wintertime when snow
lies all around:
Crisp crunching underfoot white
blanket on the ground.

Whether in the sunshine cont...

*Whether in the sunshine, or
whether in the rain, keep smiling
through the wind and snow till
the summer comes again.*

Whether in the sunshine cont..

The winter leads to spring and the
world comes back into bloom:
Rising higher ev'ryday the sun
pushes out the gloom.

Whether in the sunshine cont...

And now the summer's here and the
circle is complete,
Time to stop and take a break: enjoy
the summer heat!

Whether in the sunshine cont...

*Whether in the sunshine, or whether in the
rain, keep smiling through the wind and snow,
keep on smiling through the wind and snow,
keep on smiling through the wind and snow
till the summer comes again.*

Whether in the sunshine cont..

*Whether in the sunshine, or whether in the
rain, keep smiling through the wind and snow,
keep on smiling through the wind and snow,
keep on smiling through the wind and snow
till the summer comes again.*

This little light of mine

1. This little light of mine,
I'm gonna let it shine x 3
Let it shine, let it shine, let it
shine!

This little light of mine

2. Ev'ry where I go, I'm gonna let
it shine x 3

Let it shine, let it shine, let it
shine.

This little light of mine

3. This little light of mine,
I'm gonna let it shine x 3
Let it shine, let it shine, let it
shine!

This little light of mine

Let it shine, let it shine, let it
shine!

Let it shine, (slower...), let it
shine, let it shine!
