Dear Parents/Carers

## **Important – Autumn Term School Census**

The School Census is a statutory data collection for all nursery, primary, and secondary, local authority maintained schools in England. The School Census is collected on a termly basis with 3 collections per calendar year (Spring School Census in January, Summer School Census in May and Autumn School Census in October).

The School Census collects information about individual pupils and information about the schools themselves, such as their educational provision. The individual pupil information collected includes free school meal eligibility, ethnicity, special educational needs, attendance and exclusions.

For this year's Autumn Term Census there are a two new data items for each pupil that we need to collect. They are:

**Country of Birth.**

**Nationality.**

Could I ask that you complete the reply slip below with your child's details and return to the office by **Wednesday 5<sup>th</sup> October 2016.**

Thank you for your support.
