Andrew Baker - LA Appointed Governor (Chair of Governors)

My name is Andy Baker, I have been a governor for many years starting at Hollinswood Infant School.

I am now the Chair of Governors at Hollinswood Primary School & Nursery.

My expertise lies with buildings and health & safety, so I am very keen on making sure we have a safe and healthy environment here at Hollinswood for all.

I work for the local authority where I started in April 2008.

I live in Worcestershire and have three grown up children.

I like to follow my local football team which I have a season ticket for.
