

Confidentiality

Safeguarding children raises issues of confidentiality that must be clearly understood by all visitors/volunteers in school:

- Everyone has a responsibility to share relevant information about the protection of children with the Safeguarding Team.
- If a child confides in you and requests that the information be kept secret, it is important that you tell the child (in a manner appropriate to the child's age/stage of development) that you cannot promise complete confidentiality, that you may need to pass information on to other professionals to help keep them safe.

Following up concerns:

If you have expressed a concern and would like to follow up your concern, please contact the Safeguarding Team. While it might not be possible to update you fully, it is likely that we will be able to reassure you that your concern has been dealt with and that the child concerned is being safeguarded.

Whistleblowing

At Hollinswood Primary School & Nursery we value those who raise concerns and contribute to our reflective practice. If you feel that your concerns have not been taken seriously by the school or its leaders, or that appropriate action has not been taken to safeguard a child you should speak to Kath Osborne (Headteacher & Designated Safeguarding Lead). If still dissatisfied you have a duty of care to the child to contact Telford and Wrekin Family Connect Service on 01952 385385.
