

Dear Parents/Carers,

Firstly all staff at Hollinswood Primary School & Nursery hope you are managing to enjoy your Easter Holidays and are all keeping safe and well.

We have been really pleased so far with all the work that many of our pupils have been doing whilst we have been working from home. To make it simpler for teachers to set work and respond to pupils and families, we have decided to start using ClassDojo.

If we have an email address for parents, we will link them to the ClassDojo program and those parents will soon receive a welcome email. Please follow the link in that email to join up to your child's class. It would also be really useful if you downloaded the ClassDojo app onto your phone or tablet to make it simple to view and upload your child's work. **If you know of a parent where we do not have their email address, and they would also like to be linked up to ClassDojo, please ask them to email: a2200@taw.org.uk.**

If you would like to read more about the ClassDojo program before you sign up, their website address is: <https://www.classdojo.com/>

We want to aim to start using ClassDojo after the Easter holidays so don't forget to look out for your welcome emails. (You may have to check your junk/spam folders).

Thank you for your continued support.

Hollinswood Primary School & Nursery.
