### **REGISTER OF BUSINESS INTERESTS 2020/2021 (Signed Copy will be Held on School File)**

From 1 September 2015, governing bodies will be under a duty to publish on their [website](#) their register of interests. The register should set out the relevant business interests of governors and details of any other educational establishments they govern. The register should also set out any relationships between governors and members of the school staff including spouses, partners and relatives. 'None' should be the recorded entry on the register by governors who have no interests to register. **\* Due to COVID-19, Full Governing Body Meetings have been held over TEAMS. The Register of Business Interests Form was created in Microsoft Forms and completed/submitted electronically by Governors. Electronic submission of a completed form will act as an entry to be held on file.**
