12<sup>th</sup> March 2021

Dear Parents/Carers

## Back to School

It has been great this week to welcome all the children back to school. They have settled brilliantly well and have embraced the challenges and the familiarity that school brings.

Far too much is made of referring to children this year as a 'lost generation' or requiring hours and hours of time to catch up. Instead, we should perhaps focus on how the experiences of the last year have encouraged them to be more resilient, flexible, understanding, caring aware of the world and starting to question their role in it. Many of the children have also spent more quality time with their family than ever before and whilst it has been hard at times, I know lots of you have cherished this. We will continue to encourage the children of Hollinswood to be positive and caring members of their community.

## Thank You

As parents, thank you for responding to what we ask of you when on school grounds. Despite the easing of the government's restrictions, the systems and routines we have will be with us for a long while yet so please stick with them.

## Comic Relief

A reminder that **Friday 19<sup>th</sup> March** is Red Nose Day. See the recent letter or website for details of this.

## Good News

Our congratulations go to Mrs Tyrer who gave birth to a healthy baby girl on Wednesday of this week. Mother and daughter are doing well and are now home with the rest of the family.

Thank you for your continued support.

Yours sincerely

**Mr Atkinson**  
Headteacher
