The Snowman

Raymond Briggs created
this much loved picture
story in 1978

The Snowman

It became an animated film for television in 1982 and is often played in December with its wonderful festive spirit

After the snow settles on a cold winter's day, a little boy builds a Snowman. Later that night, under the glittering stars, the Snowman comes to life!

Together they fly through the night sky on a breathtaking and magical journey, until the sun comes up and it's time to go home...

Did you know: Raymond Briggs was born in London in 1934, and studied at Wimbledon School of Art and the Slade School of Art, London.

The Snowman and the Snow Dog

The Snowman and the Snowdog, is set 30 years on from the original and is based on characters created by Raymond Briggs.

Father Christmas

First written and illustrated by
Raymond Briggs in 1973

On Christmas Eve morning, a very grumpy Father Christmas is dreaming about summer, and certainly doesn't want to get up in the cold to deliver presents!

- Told through a comic strip, with beautiful illustrations based on the houses that Raymond grew up in, this is a hilarious festive tale that has delighted children for generations.
