

Dear parents/ carers,

From August 19th 2024 the Government have introduced a new 'national framework for Penalty Notices'. (in Telford & Wrekin the changes apply from 1st September 2024).

There are significant changes that parents and carers need to be aware of:

- If your child has 10 sessions of unauthorised absence in a 10 school week rolling period, you may be issued with a Penalty Notice. These 10 sessions may include any unauthorised absence, including leave in term time and do not have to be consecutive.
- Penalty Notices are increasing to £160 from September 2024. This can be reduced to £80 but only for the first Penalty Notice issued, if paid within 21 days – this reduction does not apply to any subsequent Penalty Notice.
- Any 2nd Penalty Notice, to the same parent for the same child, issued within three years of the date of the first Penalty Notice will be charged at a flat rate of £160
- A third Penalty Notice will not be issued within a three year rolling period, to the same parent for the unauthorised absence of the same child, - alternative action or legal measures will be utilised for subsequent offences.
- In some circumstances a 'Notice to Improve' may be issued. However, a Notice to Improve will only be used in cases where support is appropriate. They will not be issued in cases of unauthorised leave in term time for holidays, where information for parents is included on schools website or a simple warning by the school that a Penalty Notice could be issued if unauthorised leave in term time is taken will suffice.

In developing and publishing the new national framework, the Government has renewed appeals to parents not to take their children out of school during term time. The Governors and Headteacher of Hollinswood Primary School and Nursery support this and children will only be given permission to take leave in term time if there are exceptional circumstances. The DfE Guidance Working Together to Improve School Attendance (Feb 2024) states that: Generally, the DfE does not consider the need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance.

Parents should always apply to the Headteacher for any request for leave in term time by completing a request form available from school. (DfE guidance states schools should not authorise leave retrospectively so any leave in term time taken without a request being submitted will be unauthorised absence). Each application for leave in term time will be considered and if it is agreed and authorised the Headteacher will determine the duration of any leave. However, if the application is not agreed and the absence occurs the dates will be unauthorised. Parents will be notified of any decision in writing.

As a school we are asked to inform you that in line with Telford and Wrekin Council Policy, if your child is absent for 10 school sessions within a 10 week rolling period and that absence is unauthorised, you may be subject to a Penalty Notice fine following the criteria listed above.

We highly value our partnership with families and want to continue to work with you to support all of our children at Hollinswood. It is crucial to stress the significance of attendance, as research shows that children thrive academically when they attend school regularly. Therefore, we kindly urge you

to ensure your child's punctuality and attendance. By working together, we can create a supportive environment that promotes your child's educational success. Thank you for your cooperation in this matter.

If you require any further information about the information detailed above, please contact the school office and we will be happy to support you further.
