

# SCHOOL GOVERNOR INTRODUCTION

Penny Hustwick - Co-opted Governor (Vice Chair of Governors)

Hi My name is Penny Hustwick and I am Vice Chair of governors here at Hollinswood Primary and Nursery school. I have been a governor for several years.

I am also the owner of ABC Day Nursery, based here at Hollinswood and have a passion for all children and families ensuring they receive the best care and education here within the Hollinswood community. ABC has been here since 2004 so my relationship and understanding of how the school operates is a benefit to being a governor.

Family is extremely important to me, I have 3 grown up boys and 2 beautiful grandchildren.
