

# STAY POSITIVE, PEOPLE!

Take one day  
at a time.

You can do this!

I've got  
your back!

Be kind  
to yourself.

You are enough.

Be grateful for  
the little things.

You've got this!

Mistakes are  
proof you're trying.

Celebrate the  
little wins.

You make a  
difference.

You are beautiful,  
inside and out.

Today is  
a new day.

Positivity  
always wins!

Start each day  
with a smile.
